## NuVet Plus® Heals & Protects your Pet From:

**From Puppy through Adulthood...**

### Why Strengthen Your Pet's Immune System every day?

**To Help Shield It From All This...**

**Backyard** pesticides, fertilizers, bacteria, and viruses that attack your pet's immune system;

**Carpet** backing, which contains formaldehyde, tuolene, benzene, xylene, styrene (Pregnant women are warned to avoid new carpets; but your pet buries his nose in it every day);

**Pet Foods**, most contain hormones, pesticides, meat by-products, preservatives, grain and corn (which are major sources of allergies in pets);

**Household Chemicals** (cleaners, bug killers);

**Pet Treats** loaded with sugars and fillers, they promote diabetes and liver problems in pets;

**Mouth Toxins** – 80% of dogs and 70% of cats have periodontal disease by age three, dumping toxins into their bloodstream;

**Seasonal Problems** (allergies, dry skin).
